

Youth Worker

We are delighted that, after a great deal of thought, preparation and discussion, we have appointed a Youth Worker for the four Hemel Parishes.

Venus Garcia-George had preliminary meetings with representatives from the four parishes and finally started her new job on Monday 22nd January. She has begun her first week by talking briefly to different congregations at the end of Mass and by meeting as many parishioners as possible.

This is an exciting new role but also a challenging one. We need to offer Venus our support and prayers.

Welcome Venus!
