**In Search of the Spiritual Life**

If we want to be spiritual then let us first of all live our lives. Let us embrace reality and thus find ourselves immersed in the life-giving will and wisdom of God which surrounds us everywhere.

First, let us be sure that we know what we are doing.

Faith alone can give us the light to see that God's will is to be found in our everyday life. Without this light we cannot see to make the right decisions. To keep ourselves spiritually alive, we must constantly renew our faith. The spiritual life is then first of all a matter of keeping awake. We listen to our soul and its warnings.

Meditation is one of the ways in which the spiritual man keeps himself awake.
