The temptations that Jesus faced in the desert all tempt him to miss-use the gifts God has given him.

Jesus has the God given power to turn stones into bread but that would be a miss-use of that power.

Jesus could throw himself off the parapet and he would be saved but that would be a miss-use of his position and status as the Son of God.

Jesus could impose himself upon the world and be the ruler of all but that would be a miss-use of his, God given, mission on earth.

We also have God given gifts.

We have technology that can transform the world, we have position and status within the world and we have a mission on earth, and we have the same choice that Jesus has.

We can either miss-use these gifts for our own benefit or we can use the gifts God has given us for the benefit of all and to the glory of God.
